During the 2011-2012 school-year students may receive a scholarship of \$270 per month to cover the cost of tuition. The yearly tuition is \$3000 of which a minimum of 10% or \$300 must be paid. The ability to pay tuition will not be a determining factor in a child's acceptance to attend school. In addition to tuition, families are required to volunteer a minimum of 8 hours a month at the school and attend monthly parent/family meetings. If the full tuition cannot be paid, we ask that you make a donation that fits your budget and/or volunteer extra hours at the school. If you have any questions or this policy isn't clear don't hesitate to contact the school. **No child will be turned down due to financial difficulties.**
